

My Human Heart
Coldplay

Intro (Tutti)

Ooh...

Couplet 1 (Ténors et basses)

Boys, boys don't cry
Boys keep it all inside
I try to hide it underneath
Still my heart starts to beat

Refrain (Tutti)

My human heart
Only got a human heart
I wish it didn't run away
I wish it didn't fall apart
Ooh (en écho)
My human heart
Night and day, light and dark
Any day it could be torn in half (Ooh...)
Only got a human heart

Couplet 2 (Sopranes et alti)

Girls, can make believe
Girls wear it on their sleeve
Thought I could pretend for trying sake
Still, my heart had to break

Refrain (Tutti)

My human heart
Only got a human heart
I wish it didn't run away
I wish it didn't fall apart
Ooh (en écho)
My human heart
Night and day, light and dark
Any day it could be torn in half (Ooh...)
Only got a human heart

Coda (Tutti)
